## INTERNATIONAL CULTURAL IMMERSION EXPERIENCE TRINIDAD AND TOBAGO MAY 30 - JUNE 13, 2008

### Overarching Goals

To provide an experiential opportunity for students and faculty which can:

- Serve as a vehicle for meaningful immersion in the multicultural society of Trinidad and Tobago
- Assist each individual's journey toward development of a healthy personal racial / cultural identity
- Help develop multicultural competencies to effectively serve, interact, and communicate with people of all races, cultures, and ethnicities

### The Immersion Experience

- Work in partnership with a teacher / professional
- Deliver instruction / participate in service experiences
- Participate in cultural activities
- Conduct cross-cultural interviews
- Participate in cross-cultural presentations

### Graduate Course Credit

**EDUC 596: Management of Instruction: Teaching in a Diverse Environment (3hrs)**

Application forms are available in the Office of Study Abroad, Hyde Hall 223.
